

To be full of life one must be full of health, and to be full of health one must have a free, unobstructed circulation of the blood. A disordered liver will blunt the mental perceptions, and a disordered stomach will sour the sweet temper. To be gloriously 'blue' and to be suffering from a derangement of the digestive functions, are the same thing. Personal quarrels and social unhappiness, originate in this cause to a greater extent than people have any idea of. Reform the stomach and you reform the world, for this is the foundation of all reforms. To this end take a dose or two of Wright's Indian Vegetable Pills. At this season they would do much good, and will be the means, if discreetly used, of keeping the system in order during the year. And while they drive pain of all kinds away, they will remove depression of spirits, sources of temper, undue excitability, and the whole legion of 'feverish blues' and substitute therefor comfort, cheerfulness, happiness.

BeWARE OF Counterfeits.—The public are cautioned against the many spurious medicines which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills. The only original and genuine Indian Vegetable Pills have the signature of Wm. Wright, written with a pen on the top label of each box. None other is genuine, and to counterfeit this is forgery. Offices devoted exclusively to the sale of Wright's Indian Vegetable Pills, wholesale and retail, 169 Race Street, Philadelphia; 288 Greenwich Street, New York; and 198 Tremont Street, Boston.

Be true to Nature.—Have you pain? Be true to Nature. It is a vigorous effort of Nature to throw off morbid matter. From what may the morbid matter arise? From a humor, or unwholesome air which has become mixed with the blood, or incorporated in it, but which is liable to faint the whole mass if not speedily removed. (Of the same may arise from bile which has become hardened, putrid, in consequence of the want of power in the per organs to discharge it. This pain which so frightens people is only the symptoms of the efforts of Nature, (for the vital principle of blood) to expel the preant or impure matter, which would otherwise destroy the human fabric. In order to determine between Truth and counterfeits, we must be guided by the light of Experience. To what does experience direct? To the use of Dr. Brandereth's Pills in all cases of bilious suffering. In all acute diseases, let Brandereth's Pills and mild diet be used, and the patient will soon be restored to good health.

TO THE SICK AND AFFLICTED.—DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.—We can conscientiously state that Dr. Swayne's Compound Syrup of Wild Cherry has been extensively used in the United States for more than ten years—that its beneficial effects have been tested by thousands—that it INvariably RELIEVES A RECENT COUGH, and that hundreds of individuals, gradually sinking under the insidious attack of death's fell emissary, PULMONARY CONSUMPTION, have been restored to health, happiness and friends, by its use, and are now living testimonies of the curative power of this REMEDY. ANOTHER INVALID RESTORED TO HEALTH. READ THE MOST REMARKABLE CURE EVER ACCURSED! Dr. Swayne.—Dear Sir: I feel called by a sense of duty to testify to your medicine, to acknowledge my grateful thanks for the wonderful effects of your Compound Syrup of Wild Cherry on me, after suffering month after month with the most afflicting of all diseases, Consumption. The first symptoms were of a very heavy cold which settled on my lungs, which gradually grew worse, with profuse night sweats, a hacking cough, spitting blood, with great debility. My constitution seemed broken down, and nervous system very much impaired. I went to Philadelphia, was treated there by physicians of the highest standing, but received no benefit whatever from them, but gradually grew worse, until my physicians, as well as myself, gave up all hopes of recovery, and I felt like one who is about to pass through the Valley of the Shadow of Death. At this awful juncture I heard of your Compound Syrup of Wild Cherry, of which I purchased six bottles, which I am happy to say entirely cured me, and I am now enjoying better health than I ever have before in my life. Physicians who witnessed my case are highly recommending it in similar cases, and I wish you to make this public, so that all may know how to procure a remedy at once which will reach their disease before tampering with the many 'quack nostrums' which the country is flooded. My residence is at 45 Ann street, where I should be happy to have the above substantiated by a personal interview. ALBERT A. ROSS, Wholesale and Retail Dealer in cigars, 45 Ann street, N. Y.

Be not deceived by the many spurious and worthless preparations of Wild Cherry, ushered into notice by ignorant pretenders, but see that the signature of Dr. Swayne is on each bottle, which is the only guarantee against imposition. Prepared only by DR. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States. Only Agent in Sunbury is HENRY MASSER, Dr. J. A. Moore, Danville; T. S. Mackay & Son, Milton; M. D. & J. W. Wain, Sunbury; C. A. Wyatt, Lewisburg; Davis & Schure, Selingsgrove; John C. Renn, Line Mountain P. O. Philadelphia, 19c. m. ly.

A VOICE FROM NEW YORK.—PERSONS afflicted with Cancer, Scrofula, King's Evil, Tetar, Salt Rheum, Erysipelas, Old Sores, Mercurial Diseases, and all complaints arising from impurities of the blood, are requested to read the following!!! Dr. Rowland & Walton, Gents.—Feeling grateful for the extraordinary cure performed upon me by your Dr. CULLEN'S INDIAN VEGETABLE PANACEA, I feel it my duty to furnish you with a short history of my case. When about 12 years of age I was attacked with King's Evil. I was under the care of an eminent physician, and after a long course of medical treatment, was pronounced cured. At 14 years of age a disease, pronounced by some of the medical faculty as 'Scrofula,' and by others 'Cancerous,' manifested itself. This disease increased in its ravages, till my throat was filled with ulcers, and my face was covered with sores; my nose was ulcerated and swollen to apparently four times its natural size. I also had tumours in my breast, and ulcers on different parts of my person. I was placed under the care at various times of the most eminent physicians of New York, Philadelphia, Baltimore and Cincinnati, who after having used their utmost endeavours to effect a cure, my case by them was pronounced incurable. I have travelled over 21 states of the Union seeking relief; no expense was spared, and a large amount of money was expended, but all in vain. I then used large quantities of Swainson's Panacea. I have also taken Carpenter's Sarsaparilla, Seneca's Pulmonic Syrup, Townsend's Sarsaparilla, and numerous other preparations without effect; my throat, nose and face are still ulcerated, and at length I lost entirely the sense of smelling. I continued in this deplorable condition for about two years, having given up all hopes of recovery. I resigned myself to the will of Providence, supposing that every means of relief had failed. On the 5th day of August last I commenced taking your Dr. CULLEN'S INDIAN VEGETABLE PANACEA, having but little hopes of its benefiting me. After having used one bottle, I discovered to my utter astonishment and gratification, that my sense of smelling was entirely restored, and that the ulcers were rapidly diminishing in size. I have now taken three bottles of the panacea; my face, mouth, throat and nose are entirely healed. I am now 40 years of age, and after 28 years of insupportable suffering, my general health is better, and in fact, at no period of my life have I felt as well as I have since using your invaluable Panacea. JULIA BRANCH, N. Y., Sept. 30, 1846. No. 111 Cliff st.

We, the undersigned, being personally acquainted with Mrs. Julia Branch, of No. 111 Cliff street, and having a knowledge of her situation for several years past, do hereby certify, that the above is a true statement of her case, so far as our personal knowledge goes; and from her character and standing, we have full confidence in her statements; and in the efficacy of Dr. Cullen's Indian Vegetable Panacea.

Edwin A. Ware, 113 Cliff street, Maria Ware, do. Samuel Baxter, 61 Mulberry street, S. Gibson, 23 Rowell street, C. O'Neal, 111 Cliff street, Emily Earle, Hudson street.

Ye learned ones of the 'Healing Art,' if ye can so far overcome professional pride, as to use a medicine which ye know not how to compound, ye may preserve many valuable lives which will otherwise be sacrificed. Will ye not prescribe it? If it shall not accomplish all we claim for it, after a fair trial according to directions, we shall publish an account of its failure in any three papers in the United States at our own expense. Dr. Cullen's Indian Vegetable Panacea; do. do. Specific; do. do. Pile Remedy; Dr. Appleton's Remedy for Deafness; Rowland's Magic Lotion. Warranted to cure.
